

SOLUTIONS BUILT FOR COMMERCIAL REAL ESTATE.
YOUR CRM BUILT FOR CRE – CLOSE DEALS FROM ANYWHERE.

CRE CRM IN YOUR POCKET, FOR iOS & ANDROID

Everything You Need, Anywhere You Are.

The deal keeps moving whether or not you are back at the office. The RealNex Mobile App brings your KRM, Deal Rooms and MarketPlace into the field: manage relationships, deals, and property data. The details you need to keep your pipeline moving are one tap away.

BUILT FOR

INVESTMENT SALES

LEASING AGENTS

TENANT REPS

YOUR WHOLE CRE BUSINESS, IN THE PALM OF YOUR HAND

CONTACTS AND DEALS

Access your KRM, deal rooms and listings from the field..
Update records on the spot to keep your team aligned.

WORK SMARTER

Manage your calendar, track to-dos, and set follow-ups without breaking stride. Dictate notes and stay on task.

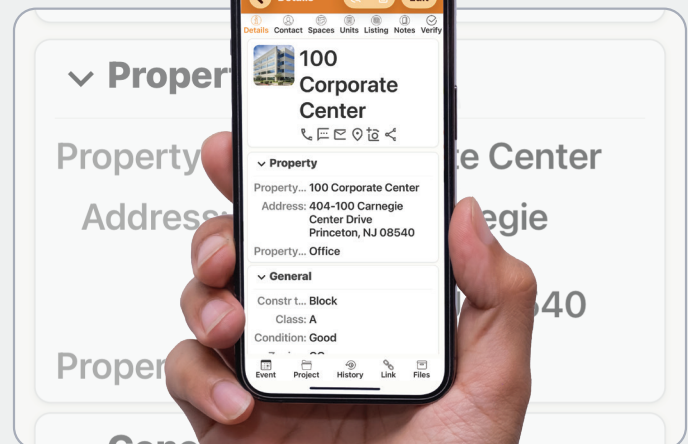

PHOTOGRAPH & MAP PROPERTIES

Take photos from the app and properties are geocoded. Build stacking plans on site and keep your property database current.

STAY IN THE LOOP

Monitor deal room activity and MarketPlace listings. Activity reaches you the moment it happens, wherever you are.

YOU ARE ON THE GO, SO IS YOUR DATA

01

THE OFFICE COMES WITH YOU

Manage deals from a showing or a job site – no trip back to update records.

02

NOTHING WAITS ON ENTRY

Capture details once in the field and they're ready everywhere, instantly.

03

SHORT-LIST

Every field update reaches the people working the same deal, in real time.

Secure in the Office. Smarter in the Field.

The app runs on your KRM data. So, wherever updates are made, everyone on the team has access.

KNOWLEDGE IS YOUR BUSINESS, RELATIONSHIPS ARE YOUR GAME

PROSPECTING ON THE FLY

Have a minute, engage your lead pool for timely outreach while in transit or waiting for your next meeting,

RECORD ACTIVITY, SET FOLLOW-UP

Dictate call or meeting notes and set next action so your pipeline stays filled and your deals advance quickly.

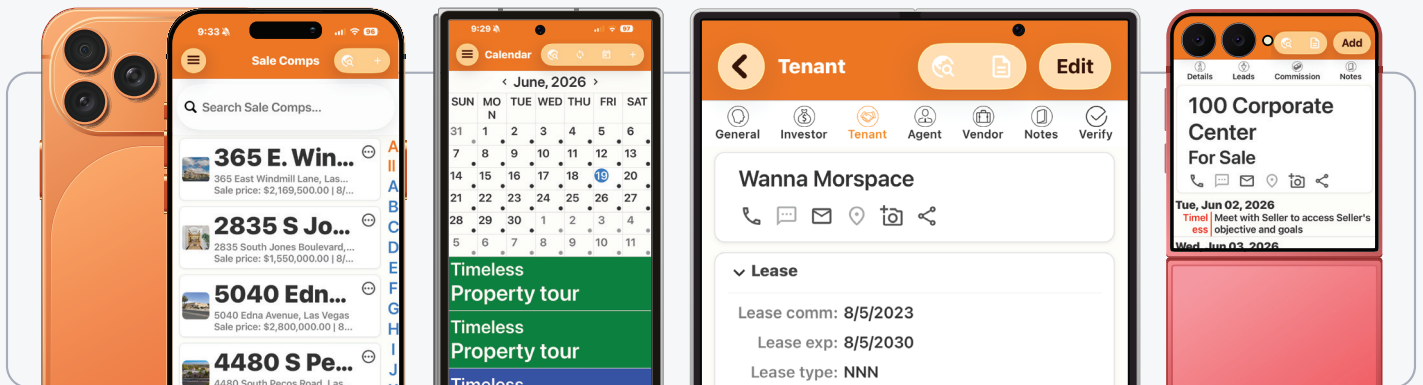

SHARE DATA ON THE SPOT

Send Comps or availabilities instantly. Don't let time get in the way of advancing an opportunity.

PREP FOR MEETINGS

Access notes, histories, comps and pipeline detail as you prep for your next meeting.

REALNEX MOBILE APP. ALWAYS WITH YOU.

iOS & ANDROID

Native apps built for phone and tablet.

REAL-TIME SYNC

Every update reaches your whole team instantly.

BANK-GRADE SECURITY

KRM data encrypted in transit and at rest.

MY LISTINGS

Access, manage and share

DEAL ROOMS

Track and engage leads

SHARE RECORDS

Post on social or SMS

MANAGE

Assign Tasks to teammates

I've really enjoyed RealNex's Mobile App—it's robust and powerful.

What I really have enjoyed is their highly responsive and "get it solved" approach to customer service. There's great value in the RealNex suite of features ranging from basic CRM to their virtual Deal Room, investment and lease analysis – and much more.

DOUGLAS A. MCCULLOUGH, CCIM • DIRECTOR OF BROKERAGE • FREEDOM REAL ESTATE
