

SOLUTIONS BUILT FOR COMMERCIAL REAL ESTATE
THE COMPLETE CRE TECH STACK – UNIFIED

ONE PLATFORM. EVERY DEAL STAGE.

Win More Deals on One Shared Record, Prospecting to Close.

RealNex Navigator runs every phase of the deal, prospecting, analysis, marketing, and closing, in one connected system. No more rekeying data across tools or chasing what got missed. Just more hours for your clients, your pipeline, and the work that closes deals.

FOUR TOOLS BUILT TO WORK AS ONE SYSTEM

KRM

Knowledge & Relationship Management

Property details, client profiles, comps, and pipeline management – your market intelligence center.

MARKETEDGE

Analysis & Presentations

Automated underwriting and branded presentations that win listings, and deal rooms to close deals faster.

BRIDGE

Transaction Management

Tour book and leasing app with comparison matrices to engage clients and accelerate decisions.

MARKETPLACE

Marketing & Syndication

Publish once, syndicate everywhere, access 300,000+ professionals and capture every lead automatically.

EVERYTHING THE DEAL NEEDS, WORKING AS ONE, TOGETHER

01
